Rubric

Review this Rubric. Select the phrases that best describe your assignment.

Categories	Level 4	Level 3	Level 2	Level 1	Task(s)
Knowledge and Understanding	I have used the equations in this unit with a high degree of accuracy.	I have used the equations in this unit with considerable accuracy.	I have used the equations in this unit with some accuracy.	I have used the equations in this unit with limited accuracy.	1, 4, 5
Thinking	I have analyzed the position-time or distance-time graph with a high degree of logic and accuracy.	I have analyzed the position-time or distance-time graph with considerable logic and accuracy.	I have analyzed the position-time or distance-time graph with some logic and accuracy.	I have analyzed the position-time or distance-time graph with limited logic and accuracy.	2, 4
	I have analyzed the velocity-time graph with a high degree of logic and accuracy.	I have analyzed the velocity-time graph with considerable logic and accuracy.	I have analyzed the velocity-time graph with some logic and accuracy.	I have analyzed the velocity-time graph with limited logic and accuracy.	3
Communication	I can check my answers and make sure they have the correct number of significant digits with a high degree of accuracy and precision.	I can check my answers and make sure they have the correct number of significant digits with considerable accuracy and precision.	I can check my answers and make sure they have the correct number of significant digits with some accuracy and precision.	I can check my answers and make sure they have the correct number of significant digits with limited accuracy and precision.	All tasks
	I can write an answer to each question in sentence form with a high degree of fluency and accuracy.	I can write an answer to each question in sentence form with considerable fluency and accuracy.	I can write an answer in sentence form to each question with some fluency and accuracy.	I can write an answer to each question in sentence form with limited fluency and accuracy.	All tasks
